Dear Members and Friends,

To welcome in 2024's year of the dragon, Koyasan Temple is offering a customized Special Blessing Ofuda with a stamp of this year's zodiac sign of the dragon. This Special Blessing Ofuda is a special 2024 New Year's edition and will only be offered at the New Year's Day Shusho-e service and Goma Fire Ritual.

In addition, a new Special Blessing Omamori, that can be carried in a wallet or purse with a selected blessing inscribed, will also be customized with the zodiac dragon stamp and will be available to order. The blessing or blessings selected by each individual or family will be written on the ofuda or omamori by Reverend Mimatsu and blessed during the Goma Fire Ritual.

Please use the attached Special Blessing Form to order your Dragon Special Blessing Ofuda and/or Dragon Special Blessing Omamori. Return your completed form by mail or email. Your order will be ready for pick up at the temple's Shusho-e Service on January 1st, New Year's Day.

For those attending by Zoom or unable to attend in person, please contact the temple and arrange a date and time to pick up your order. For those residing outside Sacramento, your order will be mailed to your home address.

Donations are accepted by check, payable to NC Koyasan Temple, and by PayPal or Venmo on the temple's website.

Thank you in advance for your generosity and support of Koyasan Temple.
